STATION ANNOUNCEMENT

Again we hand you our annual catalogue and take this opportunity of showing our appreciation for the many nice orders and words of courage we received the past season. We found a few mistakes happened at digging time which we regret very much. If you happened to receive any of these mistakes and have not written in please do so at once, as we are anxious to make amends to your complete satisfaction.

At the shows we were very fortunate in winning our share of the ribbons. Our "Town Topic" won several times the past season, both in the solid color and the bi-color. Our stock is carefully grown, not over fertilized, and the roots will arrive at your gardens in perfect growing condition. Letters on file will bear out our claim that our roots are superb.

GUARANTEE—We guarantee all our stock to be free from any signs of disease, true to name and all ready to grow when you receive them. More than this we cannot accept responsibility for.

TERMS—We require cash with order, or sufficient deposit to hold early orders till shipping time. No order sent C.O.D. unless 50% of purchase price accompanies order. Stamps accepted up to \$3.00. Express or P.O. Money Orders are always safe. Make checks payable to J. E. Hulin.

EARLY SHIPMENTS—Should you desire your order during severe weather we will pack it as frost-proof as possible and ship by insured express. After it has left our place we cannot be held responsible for damage in transit. If any damage occurs put in your claim at once to the express company or send us their report for adjustment and your shipment will be replaced.

PLEASE REMEMBER to write your name and address as plainly as you know how. It is safer to print it. Last season we received two orders with no address.

Address all orders and communications to

M.F.D.—Miniature Formal Dec.
M.B.—Miniature Ball
COL.—Collarett

My garden is my source of youth,
I count its joys alone;
My garden is my source of health,
My garden is my home.

C. P. Miller.

New Introductions for 1941

MAGIC PRINCE, S.C. (Hulin-Parrella)—This variety was shown under number SM 37-19 and was not to be released until fall of 1942, but popular demand forces us to release it regardless of the limited stock. It was very popular at the Gardens on Parade, New York World's Fair, and at Grand Rapids, Mich.

The lovely large lilac mauve blooms are held very proudly on long stiff stems fully ten inches from first set of leaves. A cross of Satan on Wenoka. Blooms formation of Satan but somewhat the color of Wenoka with bush a little taller than either. Dark foliage seems to resist all insects. Shown twice in the Northwest and winner both times. On 1940 Honor Roll.

Strong Roots, while available, **\$10.00 net**. Plants **\$3.50 net**.

LYNN FONTANNE, S.C. (Lee-Parrella-Hulin)—We had the pleasure of growing this remarkable Honor Roll dahlia the past season and it performed 100% for us with many blooms over 12 inches. It has a very nice growing habit, not too branching, but rather compact with all blooms on long stiff stems held facing. The color is spectrum red with shades of carmine towards the tips and chrome yellow petaloids. The general effect is a soft vivid red. Satan blood shows in the bloom. A good root producer and long lasting blooms. Strong Roots, each **\$15.00**. Plants **\$7.50**.

F. W. BECKETT, I.D. (Thomas-Parrella-Hulin) — This medium tall variety is a strong grower and free producer of extra large fine keeping flowers of a soft apricot yellow overlaid strawberry pink. A very striking color combination. This variety has produced many 12-inch blooms on long graceful stems holding them facing. On the Honor Roll. Limited stock. Roots **\$10.00**. Plants **\$3.50**.

ALFRED LUNT, F.D. (Parrella-Hulin)—Strong growing plants covered with medium to large size blooms of currant red to scarlet. The stems hold the extra full blooms at just the right angle. This dahlia is so full it nearly forms a ball. Very outstanding color. Limited stock. Roots **\$10.00**. Plants **\$3.50**.

LITTLE SLAM, Min. Cactus (Hulin-Parrella)—This little miniature is truly a gem in the cactus class. The color is violet rose and the formation is like Little Diamond. In the Northwest it won as best seedling Miniature, best basket of Miniatures, and best three in vase. The bush is rather low but covered by masses of bloom all season which keep remarkably well as a cut flower. Very showy in the garden. Strong roots, each **\$1.50 net**.

CLIO, Min. S.C. (Parrella-Hulin-Blamer)—Another fascinating little Miniature with perfectly full blooms of baby pink and cream. The bush will average 3 feet with nice upright branches. Blooms freely and for basket and table arrangements we know no better. You will be pleased when you see this in your garden. Roots **\$1.00 net**.

RENEE, S.C. (Meneghel-Hulin) — A new Honor Roll Miniature of pale amber to light yellow. The splendid little blooms arrange themselves readily to basket and table work. A Northwest prize winner and one you should grow. Tall bushes, free bloomer on long stiff stems. You should not miss this dainty number. **\$1.00**.

ALICE McLEAN, S.C. (Lewis-Franklin)—The outstanding dahlia of the Northwest the past two seasons. Very deep velvety maroon-red with lighter reverse. The long narrow petals twist showing the reverse while the center remains very high and straight. Good substantial stems hold the bloom facing 9 to 13 inches above first leaf branch. Winner of two Achievement Medals and the Sunset Medal as well as best Semi-Cactus at three Northwest shows. Honor Roll 1940. Roots \$10.00.

DR. FRIDELL, S.C.—Deep orange with lavender reverse. Watch for this one, you will surely want it. Next season.

HULIN'S MELODY, I.D.—Exquisitely lovely. Wait and see.

GLAMOUR GIRL, F.D.—Tall lovely salmon pink. 1942.

The following New Creations are Offered in Plants only

MAHIA, I. D. (Australia)—A giant clear red that has been grown to 13 inches with perfect stems holding the bloom well above the light green foliage. Sturdy bush rather low. The petals reflex slightly giving it good depth. High, full center. Plants.....\$2.50

AILSA FANTOM, I. D. (Hoyle-Hulin)—An extra strong growing tall bush bearing lovely light pink blooms from 9 to 11 inches on clean, long stiff stems. Not an ordinary pink but one that is most attractive. Fine keeper. Winner of many awards. Plants.....\$3.50

FIGARO, S. C. (French)—A sport of Satan with extra large flowers of deep golden yellow heavily splashed and striped red. Vigorous grower with splendid long stiff stems. An extra showy dahlia for the exhibition table. Plants only.....\$1.50

TRIUMPH OF CZECHOSLOVAKIA, S. C.—A winner from overseas that is most attractive. The color is deep red with clear white tips on nearly every flower. Naturally large. Good sturdy bush.....\$2.00

DELTA, F. D. (Australia)—Well formed flowers of exhibition type. Large magenta rose on stiff stems. Outstanding in every way\$2.50

DOKOUPIL'S TRIUMPH, F. D. (Holland)—One of the most dainty colors we had in our planting last season. The medium large blooms are white with a deep lavender spot near the center of each petal. Bush medium tall, stems long and stiff. Very lovely\$2.50

WHITE HART, I. D. (Holland)—Medium tall bushes with very delicate white blooms slightly tinted lavender. Robust growing and nicely branching. Blooms average nine inches full and deep.....\$2.00

It is gratifying to learn how many persons are taking up dahlias in preference to golf and other sports. It really is less expensive.

GLAMOUR GIRL for 1942 is a lovely pink. Watch reports on this one.

MARIE SUTTLE, I. D. (England)—This giant lavender mauve attracted a great deal of attention the past season. The bush is ideal and the extra large flowers are on good strong stems. Exhibition type and fine keeper\$2.50

MAVIS TIERNEY, I. D. (Australia)—Giant crimson maroon on cane stiff stems. Bush rather compact and sturdy. Leathery foliage not bothered by insects. This should be a fine show number.....\$2.00

CROYDON SURPRISE, F. D. (Australia)—Tall growing scarlet red on good long stems. The flowers are wonderful keepers for the great size and depth. Well branching with large foliage.....\$2.50

KOONGARRA GEM, Cactus (Australia)—Truly a wonderful cactus with a good stiff stem, which so few really possess. Full and deep of exhibition form. The color is bright orange deepening to a dark henna. Petals fine and fully incurved.....\$2.00

CHARLOTTE COLLIS, F. D. (Australia)—Tall growing variety with very showy blooms of orange flame. The stems hold the large heavy flowers well above the bush on cane like stems. This is one we were very proud to grow and show the past season.....\$2.50

New and Recent Introductions

A. G. GOODACRE, F.D.—This novelty bi-color is lemon yellow tipped white. Flowers are large size on clean stems well out of the foliage. Certificate winner and Honor Roll number.....\$5.00

A. L. ALEXANDER (Stock - Parrella), I.D. — Massive blooms of dark flame overlaid with a bronze sheen. Blooms are held at a nice angle above a bush of bright green foliage. Medium low bush with a profusion of good blooms all season.....\$5.00

ASTARTE (Holland), I.D.—Flame red throughout on good long stiff stems. Medium to large blooms cover the bush at all times from early till late. A very bright new dahlia\$1.00

BILL ARBURY (Fitzgerald - Parrella), S.C. — Lovely creamy white blooms of large size. The bush is strong and healthy and the flowers are well above the foliage, having a high full center. An Honor Roll variety of merit\$5.00

BALLEGO'S SURPRISE (Holland), S.C.—While not new it still is very popular in the white classes. Bushes tall and extra large flowers may be had by careful disbudding\$0.75

BALTIMORE BELLE (Parrella), S.C.—Tall bushes of red purple blooms above dark green foliage makes this variety very attractive.....\$3.50

BAUER'S IDEAL (Austria)—Very striking bright red on long stiff stems. This is an ideal dahlia in every way\$1.00

The Dahlia is still the most popular of fall flowers. Be sure you have enough markers, we are offering two good ones.

CONVENTION CITY (Lee-Hulin)—Honor Roll variety of last season which has met with favor. The unique shape blooms are attractive in that they are as deep as wide. Color is carrot red veined with yellow. Stems are rigid and blooms keep well. Good root maker..\$3.00

CARL G. DAHL (Scott), I.D.—Massive blooms of apricot buff and old rose. Medium low bushes but flowers are well up on good stems.....\$1.50

BEAUTE (Holland), Cac.—Here is the best yellow cactus we have ever had the pleasure to grow. The flowers are pure yellow, of large size, splendid long stiff stems and excellent keeping qualities. This novelty won plenty of ribbons at the shows the past season.....\$1.50

CHAMBERLAIN (Foreign), I.D.—Large blooms of deep salmon and rose shadings blending into violet. Stems are long and stiff.....\$1.00

DARCY SAINSBURY (Australia), F.D.—To date this has proven the best white on the market. It has been shown many times over 11 inches on long perfectly stiff stems. The bush is ideal and the keeping qualities above the average.....\$1.00

DIXIE ANGELUS, I.D.—Large blooms of pure white on fine long stiff stems. The light green foliage is resistant to insects.....\$1.50

DAVID COPPERFIELD, I.D.—Very large violet purple well above a sturdy bush. With attention this can be grown to huge size.....\$0.75

If you have tried seeds with no success, don't get discouraged, so have we.

The more one grows dahlias the more dahlias grow on one.

DORIS ARLEEN (Hulin-Parrella), I.D.—Reports coming from many sections highly praise this pure pink beauty. Deep full blooms on stiff stems above dark foliage is a lovely sight. You will miss a good pink if you do not grow this one.....\$2.50

EVENTIDE (Hillside), I.D.—Large true purple, the blooms having small notches in each petal adds to the beauty. Nice growing bush and the stems hold the blooms just right.....\$5.00

EEMLAND (Holland), S.C.—Something different in a semi-cactus, the blooms are a velvet red with very slight margins of gold. The bush is robust and produces abundantly. This is different.....\$1.00

FREDA GEORGE (Australia), I.D.—Still one of the most popular dahlias in our gardens. Color is helio and cream. The stems hold the large blooms nicely. Many 12-inch blooms were shown in the Northwest the past season. Now all can afford this beauty.....\$1.00

GEORGE WASHINGTON, I.D.—Tall bushes covered with light rose pink blooms. These bushes are a mass of bloom during late August until frost. An altogether good variety\$1.50

GLADYS SANFORD (England), I.D.—This variety produces extra large blooms of a salmon pink on the outer petals with a light yellow at the center. Bushes are medium low. Flowers keep extra well.....\$2.50

If there is a better way to grow good stock, we are open to suggestions.

OLYMPIC FIRE, with dark foliage, is a beauty.

Join your local or state Dahlia Society. It will help you learn more about your favorite flower.

- GREATER GLORY** (Salem), S.C.—Here is one of the best introductions of recent years. The outer petals are a deep rose pink shading to a creamy white at the center. Bushes are tall, blooms are large and the perfect stems hold them well up. Fine keeper.....\$1.50
- GENEVA SURPRISE, F.D.**—Very husky bush and solid blooms of soft bronze and yellow. Medium low growing. Blooms keep well.....\$1.00
- GRAND MASTER** (Caldwell-Mad River Gardens), F.D. Bright shade of orange bronze of large proportions on fine long stiff stems. Bush medium height, vigorous growth, and a different foliage. Winner of two Achievement Medals\$1.50
- HENLEY'S GIANT** (England) —Tall bushes producing extra large full blooms of dark red with a tan reverse. This variety is capable of producing 12-inch flowers on perfectly stiff stems.....\$1.50
- HERACLES (Holland), I.D.**—We were well pleased with this new variety. The bushes are nice growing and the stems hold the large blooms facing. The color is different, being a vermillion red with yellow center. You will like this one.....\$3.00
- JULIA IRENE** (Tower - Parrella), I.D. — A seedling of Kathleen Norris but a much lighter shade. The general color is light rose pink. Blooms of this variety were shown at the Northwest shows over ten inches on wonderful long stems, perfectly stiff.....\$1.00
- JULIA MACK** (McKamey-Franklin), F.D.—Tall bushes with lovely light red blooms tipped golden orange above the dark green foliage; is surely a sight. This is just as you see this variety. Many blooms were shown this season of over ten inches. A prize winner.....\$1.50
- JEAN BATTON** (England), I.D. — Something different here. The color is hard to describe, being a shade deeper than bronze with a pink over cast. Blooms are very full with a high center and have been grown over ten inches. Healthy bush and good producer.....\$3.50
- KATIE K., I.D.**—This variety attracted plenty of attention the past season. The color is a lovely pink and lavender. Blooms large on good stems. Many times a prize winner\$1.50
- LOIS WALCHER, I.D.**—Bi-color of purple and white. The low bushes produce 5 to 6 inch blooms in profusion. Stems fairly good.....\$1.50
- MARY TAYLOR** (S. E. Taylor), St. Cactus—We sure like Mary Taylor, it performed as nearly perfect as any dahlia could so far away from home. It is a fine growing bush with lots of large pink and yellow blooms. The flower is most striking as every petal is straight out from the center. Wonderful exhibition bloom and fine keeper. Twice mentioned on the Honor Roll. Strong roots, each.....\$3.50
- MOTHER'S DAY** (Australia), I.D.—One of the latest sensations to come to America. Tall bushes with light green foliage. The blooms are a pure white of very large proportions. 13-inch blooms were shown twice in the Northwest shows this past season. A splendid bloom in every respect and a fine keeper.....\$3.50
- MASCOTTE** (Holland), Cac.—Tall bushes with lots of lovely incurved deep rose pink blooms of large size. Baskets of this novelty at the recent shows attracted a great deal of attention. GOOD.....\$1.00

- MONARCH OF THE EAST, I.D.**—Gold with apricot and buff suffusion, a slight touch of red on reverse, huge blooms on fine stems makes this a champion number many times. Certificate winner.....\$1.00
- MRS. WM. KNUDSON, I.D.**—A lovely waxy white on stems that are perfect. Blooms are large and keep well when cut. A prize winner.....\$1.00
- MISS PARKERSBURG, I.D.**—Shades of bronze and gold, the petals curling outward. Bush medium short. Reports say this is a fine variety but we are sorry it does not do so well for us.....\$1.00
- MARJORIE PARRELLA** (Maxwell-Parrella), F.D. — A good commercial white of the much desired formal type. Stems are very long and hold the blooms facing so they are easy to pack and carry. Very free bloomer and a fine keeper.....\$3.00
- M. COL, F.D.**—Medium low bushes with lovely bi-color blooms of deep orange tipped white. The flowers are about 8 inches and keep well on the show table. This is a real novelty.....\$1.00
- MARJORIE ROBERTS** (Australia) — Another imported novelty that is a sure winner. Large exhibition blooms of a pure white with no other tints. Flowers are held facing on exceptionally good stems and will keep for days when cut. Stock very limited.....\$5.00
- MISS OHIO, I.C.**—One of the best American cactus to date. The color is lilac rose and very artistic formation. Good stems.....\$1.00
- NANCY JEAN** (England)—A large exhibition bloom of pure yellow. This has made a good impression in the Eastern shows\$1.50
- NEWS LEADER, I.D.**—Huge blooms of a light purple veined white on the reverse. Robust grower and profuse bloomer. Better results are obtained by pinching out\$2.00
- NAGEL'S GIANT** (Holland)—Extra large blooms of clear salmon pink. The form is informal and the petals curl nicely. Healthy and robust bushes, medium tall. Fine exhibition novelty.....\$2.00
- POINSETTIA** (Holland)—Extra large flat blooms of a bright red with a light tan reverse. Bushes are medium low. Blooms freely and a good exhibition flower....\$1.00
- ROYAL PENNANT, I.D.**—Tall bush with deep purple blooms of large size. The formation is very artistic and the centers are a shade deeper color. Fine stems and a good keeper.....\$1.00
- RITA BALLIN** (England), I.D.—As was predicted last season this is truly a find. The color of this novelty is pure lemon yellow and the blooms are real large, often 12 inches. Stems are perfectly stiff and the blooms face. Light green foliage.....\$3.00
- RITA BETTY** (Australia), I.D.—Very large flowers of a deep henna on long stiff stems. Bushes are ideal, about 4 feet. This is a fine exhibition number that you will like\$3.50

Many varieties have been well booked at the shows and in the garden, by waiting you may be disappointed.

Mothers Day was shown 13 inches in Washington.
Try one of our collections, you will be pleased.

RITA WELLS, I.D.—Extra large blooms of rose buff. The long petals are pointed and curl nicely. The huge blooms are on long clean stems over a medium low bush\$3.50

RICHARD CROOKS (Holland), S.C.—Tall bushes literally covered with good size bright red blooms. The stems are long and strong.....\$1.00

SCARLET ANN (Stock-Parrella)—A firey red of the informal type, being produced in great abundance. The flower is medium size and the bushes low, about 4 foot. Insects do not bother it.....\$3.50

SIR STEPHEN TALLENTS (Holland), Cac.—Bright yellow with no other color. Tall bushes with lots of bloom all season make this very desirable in any garden. Fine stems and long.....\$1.00

SCARLET LEADER (Holland), I.D.—The brightest spot in the garden. Medium size blooms are a clear scarlet on long stiff stems, produced freely all season. You will like this one.....\$1.00

TOWN TOPIC (Hulin-Parrella), F.D.—This introduction of last season has won many ribbons at the shows just past. It won as the best flower in the show at Everett, Wash. Three times as the best Washington Introduction. As we stated last season this variety is magenta purple with about one-third coming perfectly tipped white. The solid colors won as well as the bi-colors. It is one of the best keeping large dahlias we have grown. Nice tall bushes with lots of perfect blooms\$5.00

Your TOWN TOPIC grew 100% for us. Grand Rapids, Mich.

TENDER MEMORIES, I.D.—A lovely orchid-pink of 9-inch size on fine stiff stems. In the pastel shades this is a beauty. The stems are long and stiff. Plenty of flowers all season.....\$1.50

VIN-WELL EMPRESS (Blamer-Parrella), S.C.—Lovely pure old rose of 8 to 9 inches, held just right on long slim stems. One that will produce a large number of good flowers all season.....\$4.00

VIN-WELL BRIDESMAID (Blamer-Parrella-Hulin), S.C.—Another nice old rose with a tint of yellow. Tall bushes produces large full center blooms all season. Award of merit at Georgia Trial Grounds.....\$2.50

VIRGINIA RUTE, I.D.—Very large deep oxblood red. The bushes are about 4 ft. and well branching. The blooms are held upright but facing on splendid stems. Everyone admires this one.....\$3.00

YOUR LUCKY STAR (American), Cac.—Very beautiful amaranth pink with white center. Large flowers on real good stems. An Achievement Medal winner. You will like it.....\$2.00

| WACHUNG GIANT, I.D. —Large golden yellow..... | .50 |
| YOUTH, F.D. —Tall bush with lovely purple and white flowers..... | .75 |

MINIATURES

These little dahlias are like their larger cousins in form but are from two to three inches in size. Very desirable for house decorations and basket work. We grow only the better types that are good keepers.

HULIN'S CHERUB, F.D. (Hulin-Parrella)—Lovely clear pink of 3-inch size held on long stiff stems over a nice growing bush. Very prolific.....\$0.75

SPIRIT, F.D. (Imported)—Very attractive bi-color of red and white. The red is $\frac{1}{2}$ the petals, balance white. Fine stems, medium low bush..... 1.00

MINTO, F.D. (Hulin-Parrella-Blamer)—Truly one of the prettiest little flowers we grow. The blooms are a light pink and cupped like the water lily, arranged like a peony bush in full bloom. Extra good 1.00

Toots sure is a wonderful bloomer. She is pretty, too.

- RED BONNET, F.D. (Lee-Hulin)**—Reports say this is a true gem in the red miniatures. The blooms are small and produced abundantly all season..... **1.00**
- TOOTS, F.D. (Lee-Hulin)**—This variety is perfectly adapted to home decorations and basket work. Small blooms of a lavender pink on long stiff stems **.75**
- RITA MARIE, F.D. (Meneghel-Hulin)**—Another little formal that is one of the best. Rather tall bush with lots of glistening bronze blooms all season.... **.75**
- ROSALIE WHITE, F.D.**—A most pleasing purple of good formation. Some blooms come striped with white. Very early and free bloomer. Very showy.... **.50**
- MARGO, F.D. (Badetty Bros.)**—Tall bushes that make a glorious sight with the blooms literally covering it. The color is dark pink shading to red. One of the best in our garden..... **.50**
- BABY SAGAMORE (Badetty Bros.)**—Another formal of nice color and size. The color is golden tan shading to peach red. A perfect little flower..... **.50**
- BABY JERSEY**—Formal of deep pink on fine stems. Tight centers **.50**
- BLUE BELLS**—Col. Tall bushes with bluish lilac blooms, white color..... **.50**
- BO-PEEP, Min. Ball**—Rather tall with lots of deep purple blooms. Good..... **.50**
- BABY GRAND (Hulin), S.C.**—Mauve pink and white. Small size on fine stems..... **.50**
- COLLEEN**—A formal of white overcast lavender. Stems good, full centers..... **.50**

PERMA LABELS are permanent with ordinary pencil marking.

Grow more dahlias, forget the troubles of the world. Gain better health and a brighter outlook on the future.

The roots received from you look as though just dug. How do you do it? J. A., New York City.

Next season we will offer you something different in new miniatures. Mark these down for future desirables.

FONDA, a different color. KIKKY POO, Indian red. SPOTLESS, pure white. These will be worth waiting for.

FONDA is a different Miniature. 1942 is the date.

A good dahlia takes no more room than a poor one, and a lot more pleasure may be had from it.

3-10-7 or 3-10-10 is the right analysis for your dahlia fertilizer.

TOWN TOPIC won the blue seven times in the Northwest, both in solid color and bi-color.
